

CALL FOR PAPERS

Issue on ‘Sustainable Livelihoods and Climate Change’

(Volume 13, Number 04, 2023)

Dear Researchers,

Tra Vinh University Journal of Science (TVUJS) is a peer-reviewed multidisciplinary academic journal sponsored by Tra Vinh University and published since 2011. It is currently indexed in the Directory of Open Access (DOAJ), Crossref, Google Scholar, BASE, WorldCat, and ResearchGate. TVUJS publishes four issues per year with full-length of original research articles and review articles written in both Vietnamese and English in four sections: Agriculture – Aquaculture, Culture – Education – Arts, Economics – Social Sciences, and Technological – Environmental Sciences. All papers in TVUJS are published in online and print editions and each paper is provided with a unique Digital Object Identifier (DOI).

TVUJS has been recognized and awarded by the State Council for Professorship of Vietnam in specializations of Animal sciences – Veterinary medicine – Fishery (0–0,5 points), Economics (0–0,25 points).

To further promote research on agriculture and fisheries, TVUJS warmly welcomes your submissions for publishing in Volume 13, Number 04, 2023.

Publication language: English

Topic of this issue: Sustainable Livelihoods and Climate Change

Submission deadline and author guidelines: Authors may submit manuscripts at any time of the year. The submission process and author guidelines can be found here:

http://journal.tvu.edu.vn/index.php/journal/online_submission_guideline
